

RAB COMMUNITY INVOLVEMENT INITIATIVES

COMMUNITY INVOLVEMENT - LESSONS LEARNED FROM DAN JONES SURVEY

- The majority of the people surveyed are not aware of any Hill AFB environmental cleanup programs at this time
- The majority of the people surveyed do not know about the Restoration Advisory Board
- Women had more health concerns
- Newsletters were a preferred method of getting information
- People like getting information from newspapers
- Hill AFB contamination not at the top of most people's list of concerns

INFOFAIRS

- Clinton InfoFair/15 Nov. 2000
- Sunset InfoFair/ 10 Jan. 2001
- Roy InfoFair/ 7 Feb. 2001
- Layton InfoFair/ Spring 2001
- We're doing these because of the level of increased interest
- Highly successful
- How would you like to be involved?**

CITY COUNCIL UPDATES (TENTATIVE)

BLANKET E-NEWS MAILER

- One time mail out to all residents within the plume areas
- Estimate 10,000 copies to be mailed
- Return postcard for those who would like to be added to mailing list.
- If responses are sufficient, targeted blanket mailings may continue

RAB MEETING NOTIFICATIONS

- Would RAB want us to notify everyone on mailing list prior to the notice of RAB meetings?**
- Discuss pros & cons, get input from RAB**

FACT SHEETS

- Available for InfoFairs
- Mail out to people in affected areas
- Current examples: OU-5 Fact Sheet, Air Sampling Fact Sheet
- Does the RAB want to be involved in reviewing Fact Sheets for readability?**

RAB WEB SITE

- It's an available tool
- Input/feedback

SCHOOL INVOLVEMENT

- Speakers from EM to talk about environmental topics
- Poster Contests/Science Fairs
- Tours for science classes of environmental facilities (IWTP, HWCF, SRS)
- How would the RAB like to be involved?**
